

2026 - 2028 Skin Excision Evaluation Program

Earn
27.5
CPD hours
per year!

How does the program work?

Our Skin Excision Evaluation Program is highly valuable, as it helps program participants analyse their diagnostic skill for identification of high-risk lesions through monthly reports and data that we provide via the CPD Portal in eResults.

How can I earn CPD hours?

The annual criteria for our Skin Program include:

- 40 histology samples recommended
- Samples must be submitted with the purple program Request Form and 'coded' correctly
- Reflection Activity completed (emailed latter part of the year)

What histology samples are included?

- Both excisions and biopsy samples

- Histology samples must be submitted with the **correctly coded program request form** to be counted (purple form)

This program has been approved by the RACGP & ACRRM for 20 Measuring Outcomes hours + 5 Reviewing Performance hours + 2.5 Educational Activities hours. Australian Clinical Labs is a recognised activity provider with the RACGP - AAP # 626080 & ACRRM. RACGP Activity # 393377 & ACRRM Activity # 28407.

How many CPD hours are awarded?

If you successfully complete the annual program criteria, you will earn a total of **27.5** CPD hours:

- 20 CPD Measuring Outcomes hours
- 5 CPD Reviewing Performance hours
- 2.5 CPD Educational Activities hours

LEARNING OBJECTIVES

1

Identify diagnostic inaccuracies concerning skin lesions submitted for histopathological analysis.

2

Demonstrate appropriate surgical margin practices for malignant skin cancer procedures.

3

Detect cases that require additional treatment to ensure the ongoing care and safety of the patient.

4

Contrast personal diagnostic and surgical proficiency in comparison to state and national peer groups.

5

Contrast personal melanoma detection rates in comparison to state and national peer groups.

How do I view the monthly reports?

Reports can be viewed via the online CPD Portal in eResults. Program participants (successfully registered) will receive more information directly about how to access the portal. **Note - Reports are released monthly on the 16th for the previous month**, i.e. On February 16th, participants can access the January report showing samples successfully submitted between 1-31st January.

How do I register?

- Scan QR Code below
- Registration form will open in your web browser
- Complete the form fields and hit 'Subscribe'
- Your registration will be reviewed by our CPD Team
- Alternatively, visit <http://eepurl.com/g5JTVP> to complete the form

Skin Excision Evaluation Program Request Form
How to Correctly Complete the Request Form

All histology samples must be submitted with correctly completed purple request form. Correct completion means CODING must be used on the reverse side of the form as demonstrated below.

KEY

Body Region	Code	Body Region	Code	Diagnosis	Code	Procedural	Code	Specimen	Code	Biopsy Type	Code
